

Figure 1 consists of six diagrams, labeled A through F, each showing a horizontal line with 12 numbered points (1 to 12) distributed along it. The points are represented by vertical tick marks. In all diagrams, the points are in the same relative positions, but the labels 1 through 12 are assigned to different tick marks in each diagram. A bracket labeled  $f_4$  is shown under the first four points in each diagram.
