[illegible][illegible]

The diagram illustrates a complex system with multiple layers and components. The top layer features a horizontal line with labels  $\& B\% < \%&$  and  $71( )$  on the left, and  $F1\%&$  on the right. Below this is a grid-like structure with labels  $B\% 7*59$  and  $\&( < )$ . The bottom layer has a horizontal line with labels  $f11g,ahY LR$  and  $\& B\% < \%&$  and  $71( )$ . There are also labels like  $\&\$ \#) \$$  and  $D\% ($  on the left, and  $\& B\% < \%&$  and  $71( )$  on the right. The diagram includes various symbols and arrows, suggesting a flow or relationship between the different layers and components.
