

## DSC-H300

Easy to use, powerful zoom with true image detail

**Striking images made simple with a 35x optical zoom, 20MP sensor, HD video, and creative effects**

- Get closer with the powerful 35x optical zoom
- Shoot in detail with 20.1 MP sensor and HD video
- Easy to use, with a solid and comfy DSLR body

## Features

### Capture 20 megapixel photos

easily get the beauty and emotion of special moments with the 20 effective megapixel Super HAD CCD image sensor

### Super zoom, easy to use with no lens changes

whatever you want to capture, you're covered by the powerful 35x optical zoom lens that retracts neatly into the camera body

### Get a wider view

make sure nothing's left out of the picture: the wide angle lens packs more into holiday scenes, interiors and group shots

### Serious DSLR styling

shoot like a pro with high-quality body styling and a sure, comfortable grip that performs like a bigger, bulkier DSLR camera

### Add artistic picture effects

add creative effects to stills, movies, and panoramas without having to download and use image-editing software

### Don't leave it to guesswork

Intelligent Auto recognises a wide range of scenes and adjusts settings automatically so you can get detailed results every time

### Do plenty with an AA battery-operated camera

Get creative with an AA battery-operated camera with DSLR body. The AA-type dry-cell battery is hassle-free and easy to replace

### Shoot crisp HD movies

a dedicated movie shoot button makes it easy to film clear, detail-packed HD video clips to play on your HD television

### Don't worry about unsteady hands

Optical SteadyShot cuts camera shake for clearer, sharper still photos without blur

### See the finer details

frame and view your shots and movies on the large, very high-resolution 7.5cm (3.0") Clear Photo LCD screen

### Flatter your portrait subject

let the camera automatically remove skin blemishes, brighten teeth, widen eyes, and cut forehead shine when you capture portraits
