Features

Operating System

Available with Windows 10 Pro - for a smooth, versatile PC experience.

()

## Office everywhere.

Latitude laptops and 2-in-1s enable all day productivity with the most secure and manageable features all in a beautiful design you will be proud to carry. No matter where work takes you—whether you are on the go, at the desk or working from the café, we have the right solutions so you can office everywhere.

()

## Work securely, anywhere.

**Enhanced data protection:** Data security is key in protecting your business and employees. Dell Data Protection is a suite of security software programs offered on each Latitude 3000 Series system. Endpoint security, advanced user authentication and data encryption software all work cohesively to safeguard your data from threats and hacks.

**Safely communicate:** Your Latitude 3490 comes TPM2.0 TCG certified and FIPS-140-2 certified, and uses hardware-based cryptography for the most secure communication.

**Login with ease:** Login to Windows Hello with the latest optional infrared camera technology with optional touch fingerprint reader.

()

## Reliable and manageable

**Easy to manage:** Dell Client Command Suite comes with a set of automation tools that assists in device monitoring, deploying images, updating and more, to maximize your hardware and software investments and save time.

**Outstanding reliability:** Your Latitude 3490 features a durable, built-to-last chassis that has undergone extensive military-grade MIL-STD 810G testing to ensure your system can withstand real-world conditions.

**Power your workday:** 8th Gen Intel® Core™ i processors deliver the power you need for optimum productivity. The DDR4 memory boosts transfer rates while using less voltage, making your Latitude 3490 run faster and more efficiently.

()

## Designed for essential tasks

**Flexible connectivity:** VGA, HDMI, RJ-45, USB Type-A and USB Type-C ports let you go dongle free and accommodate your legacy connections.

**Work together with ease:** The extended 175 degree hinge is smooth, flexible and durable so you can collaborate effectively.

**Take your work with you:** At 0.82" (21mm) thin and weighing in at 3.79lbs (1.72kg), your Latitude laptop is travel

ready.

**All-day power:** Get up to 15 hours of battery life with the optional 56WHr battery to handle your entire workday.

()

### All-day productivity

Dell Latitude gives users the power and connectivity they need throughout the day, no matter how they work. With industry-leading battery life and extensive connectivity options like 4G/LTE and single cable docking, workers can be confident that they can stay connected wherever they are. And with features like Express Charge, which gives workers up to an 80% charge in less than an hour, workers can seamlessly move between their desks and meetings.

()

### Beautifully designed

With an innovative design, Latitude laptops and 2-in-1s are devices you are proud to carry. Made with premium materials like recycled carbon fiber, you can rely on your Latitude's durability while taking advantage of the smallest and lightest form factor on the planet. And, with features like brilliant displays and thin bezels, you can be fully immersed in all the on-screen brilliance your Latitude can deliver.

()

### Trusted by IT

Dell's Latitude portfolio has the most secure laptops and 2-in-1s in the world. You can rest assured that your data is always protected with a wide variety of biometric readers and encrypted hard drives. Streamline your remote management and deployment capabilities with the Dell Client Command Suite. Plus, with over a decade's worth of experience in working with sustainable materials, you can feel good about less environmental waste in product and packaging.
