

# Dell Wired Keyboard- KB216

Product Announcement

## Wired keyboard for everyday home or office use

The Dell Wired Keyboard provides a convenient keyboard solution for everyday home or office computing uses. The keyboard's full layout with chiclet style keys allows for efficient, comfortable typing - excellent for everyday usage on virtually any task at hand.

## Multimedia keys for quick actions and commands

The convenient multimedia keys let you easily access functions such as play, pause, rewind, and fast-forward plus volume control.

## Comfortable, desk-centric design

With a compact design that still features a full-sized keyboard and number pad, the Dell Wired Keyboard is ideal for home and office environments. With a durable build and quiet keys, it's designed to provide comfort for the everyday demands of desktop usage. The Dell Wired Keyboard also has a palm rest that is available for separate purchase
